Re: Gray Bashew

Dear Friends:

It gives me great pleasure to write this letter on behalf of Gray Bashew's application for the Berklee Achievement Scholarship.

Gray was in my Conducting classes for two terms, and one could not have asked for a better colleague. Instinctively a fine musician, Gray was always well prepared; he was also attentive, responsive, and unfailingly gracious. His positive spirit enhanced every class meeting.

In his composing, singing, and beatboxing, Gray has already enhanced his talent with considerable accomplishment; however, he also works constantly to improve his art. His unwavering commitment to progress makes him a welcome asset to the Berklee community.

I recommend him for maximum fellowship aid and financial assistance.

Gray has my permission to post this letter on the Web and to use it for his application.

Yours truly,

[sent electronically]
